Alaska State Patch Instructions;

Applying the patch, the most applicable application would be to use moist heat, i.e. a damp washcloth between the iron and the jersey. Another option is to steam iron the patch on the jersey. A side note is to sew the edges down if the parent(s) are planning on washing and drying the jersey multiple-times. The edges will eventually lift because of the heat of the dryer.

Patch Placement Reference; Team Uniforms: POLICY NO: PLP08082006

Competitive Patch Placement:

1. Alaska Youth Soccer requires the State Patch to be worn on the (HOME) uniform of players registered with Alaska Youth Soccer Association. The patch will be supplied to each registered Competitive Club Team.
2. The Alaska Youth Soccer- State Patch must be placed on the RIGHT SLEEVE of the (HOME) jersey approximately 1' above the bottom edge of the sleeve.
3. All team jerseys used in competition must have the patch affixed in a permanent manner.

State Champion Patch Placement:

1. Competitive Club Teams are to use the appropriate approved US Youth Soccer National Championship Series and Alaska Youth Soccer State patch placement on Club Team Uniforms.
2. US Youth Soccer requires the State Cup Champion Patch to be worn on the (HOME) uniform of players participating in the US Youth Soccer National Championship series (FWR/PC).
3. The US Youth Soccer National Championship- State Cup Champion Patch must be placed on the RIGHT SLEEVE of the (HOME) jersey above the Alaska Youth Soccer Patch.
