AYSA SCHOLARSHIP FUND

Alaska Player Scholarship Fund: Alaska Youth Soccer will continue to ensure that we provide resources for youth who otherwise might be left on the bench. AYSA will be expanding the player scholarship fund for the 2020-21 seasonal year in the hopes we can assist families who have been affected by this pandemic and provide opportunities for players to participate in soccer within their community.

AYSA SCHOLARSHIP FUND REQUIREMENTS

FINANCIAL ASSISTANCE

Alaska Youth Soccer is proud to offer financial assistance for soccer families seeking to participate in the Alaska Affiliate Club Soccer Programs. Our goal is to help eliminate the financial obstacle that may otherwise prevent a player from being a part of AYSA Family.

Applicants are reminded to complete the application in full and **include a copy of the current or upcoming program registration invoice showing the amount due.** The scholarship Fund will not pay back dated or overdue invoices from completed registrations, programs or sessions, travel or uniform cost, club dues or debts within the soccer club.

All funds provided by AYSA may only be applied towards Alaska Youth Soccer players currently registered Affiliate Club Soccer Programs and scholarship payments will be made directly to the club program for the individual scholarship recipient for their current approved program fee.

Submissions can be made by email to the AYSA Office or by mail. Please allow thirty days for processing of the application. The recipient will ne notified of the decision by email. Approved scholarships will be processed within five working days and submitting to the soccer club on behalf of the recipient.
